## THE DANCE OF DIVINE MASCULINE AND DIVINE FEMININE

During this special Anusara yoga workshop, we'll explore the magnificence of the ever emanating dance between Shiva and Shakti, as Divine Masculine and Divine Feminine simultaneously intertwine, unfold and enfold, during the Dance of Creation itself. This workshop, for intimate couples, will include connecting with Divine and Beloved through energetics, partner asana as well as Kundalini meditation. Appropriate for all levels.
